Performer Information

Greetings Performers!

Zimfest 2010 will be held on the campus of Oregon State University in Corvallis, OR. University information is available online at www.oregonstate.edu. A map is available at www.oregonstate.edu/campusmap/. Evening concerts will be held at the LaSells Stewart Center on the OSU campus. The afternoon stage will be in a central area of the festival, close to the marketplace, dining hall, and workshop spaces.

Application Process:

If you would like to perform at Zimfest 2010, then please read the following information and submit your application by **March 1, 2010**.

You can either submit your application by emailing the application form and supplemental materials to 2010@zimfest.org or you can mail your form and materials to PO Box V; Corvallis, OR 97339.

Visa Information:

Zimfest welcomes Zimbabweans and others who are not US citizens to teach and perform at our yearly festivals, however:

Zimfest does not sponsor visas for non-US citizens—a US working visa is required for a non-US citizen to teach or perform at Zimfest. For a US working visa (visa types P, O, Q, and a few others), a US sponsor organization or agent must apply for the visa on behalf of the Zimbabwean: you cannot directly apply for these types of visa yourself. (for additional details, please see announcement posted at <http://zimfest2010.blogspot.com/search/label/performer%20applications> or contact Marilyn Kolodziejczyk at mkolo@q.com)

Compensation:

Zimfest does not pay performers--performing at the festival is done on a volunteer basis. Travel reimbursements--if any--will be limited and will not cover travel outside of the US. If possible, we will continue the tradition of providing small travel stipend to bands traveling within the US. Any travel stipends will be announced within 30 days of the end of the festival and should not be assumed as part of a band's planning.
